Agenda

- **The organization Internet Society (ISOC)**
- **2020-2021 plans**
- **Get involved**

About the Internet Society

- Founded in 1992, “*a global nonprofit organization empowering people to keep the Internet a force for good: open, globally connected, secure, and trustworthy*”
- Three focus areas:
 - *Standard development (IETF)*
 - *Policy development*
 - *Education and Capacity building*
- We believe everyone should be able to benefit from an open and trusted Internet!

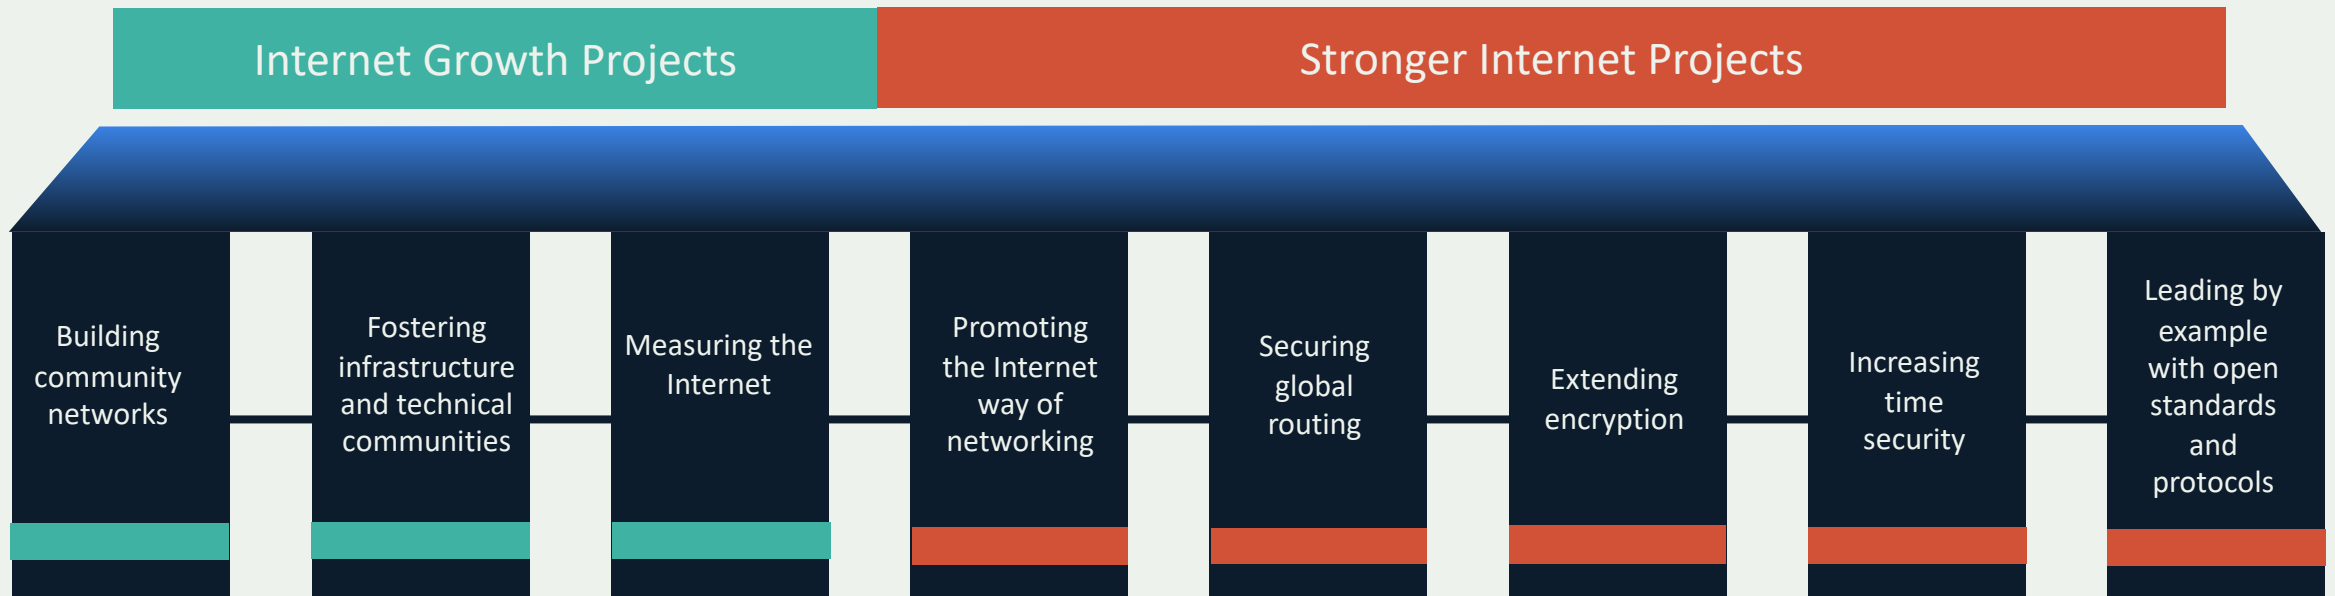

Strategic 2020/21 plans

Eight(8) projects to support the strategic plan

Internet Society mission statement:

Working for an open, globally-connected, secure, and trustworthy Internet for everyone

Building community networks

Fostering infrastructure and technical communities

Measuring the Internet

Promoting the Internet way of networking

Securing global routing

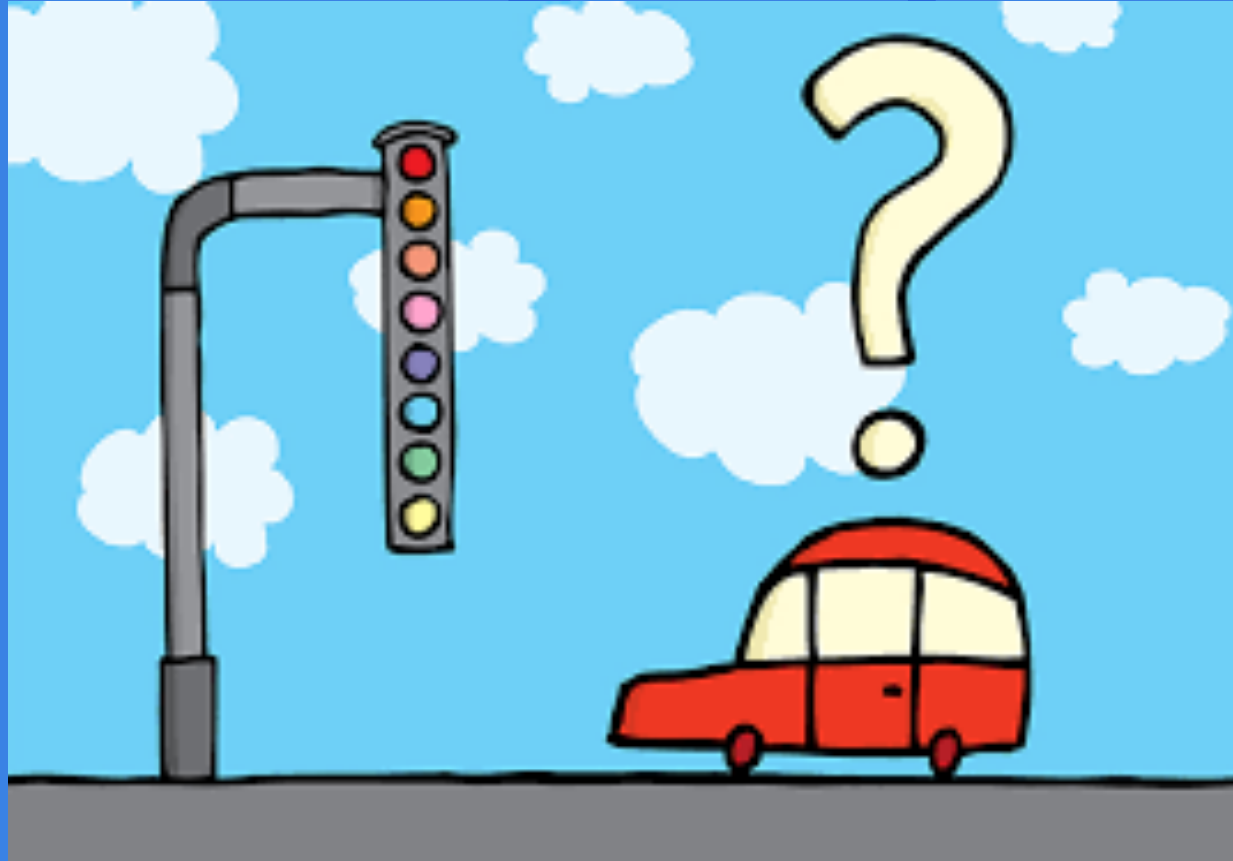

Extending encryption

Increasing Time Security

Leading by example with Open Standards and Protocols

The Internet Society Foundation

- Chapter Funding – *Beyond the Net Small and Medium/Large for Chapters and SIGs*
